

Winners versus Losers

**The winner is always part of the answer,
The loser is always part of the problem.**

**The winner always has programme,
The loser always has an excuse.**

**The winner says, 'Let me do it for you',
The loser says, 'That's not my job'.**

**The winner sees an answer for every problem,
The loser sees a problem for every answer.**

**The winner sees a green near every sand trap,
The loser sees two or three sand traps near every green.**

**The winner says, 'It will be difficult, but it's possible,
The loser says, 'It may be possible, but it's too difficult'.**
